

Come closer

Beosound Premiere. A spatial soundbar for those who know the difference.

Whether it's the first viewing of a film, or the unveiling of a long-anticipated album, Beosound Premiere brings life to sound. A spatial audio experience, precision-engineered to put you in the best seat in the house, recreates what the artist intended. Every beat authentic. Every silence intentional. Every note delivered with unwavering fidelity. The way it's meant to be.

A first-of-its-kind form: bold, sculptural, unapologetic. More than a soundbar, it's a statement. Designed for those who hear the difference. Made to take centre stage.

Why you'll love it

-  Spatial. Seen differently
-  The art of aluminium
-  Performance that lasts

Basic

PLACEMENT OPTIONS

- Table stand
- Wall mounted

RECOMMENDED ROOM SIZE

10 - 45 m²
